ALIEN SHE

ALIEN SHE is the first exhibition to examine the lasting impact of Riot Grrrl on artists and cultural producers working today: a group of contemporary women who were inspired by the original movement to create activist art that challenges sexism, racism, homophobia, and the status quo. This exhibition will feature 10 artists selected by two co-curators Ceci Moss and Astria Suparak for their ability to re/flect the profound issues and ideas that Riot Grrrl re/fected.

ALIEN SHE will launch with a two-night Opening Night Party and Lecture on Fri, Oct 24, from 8-10pm. The Opening Night Party will include performances by the Bay Area Girls Rock Camp and artist Miranda July, as well as a photo booth featuring ALIEN SHE’s interactive selfie exhibition, ALIEN SHE: Your Exclusives are FREE for ALIEN SHE:You members.
